HDPE (high density polyethylene pex)

What year was the building built?

What year was the water system
plumbing installed or redone?

What type of pipe comes through the
wall before the water meter?

Water Line Material Survey

In an effort to save our water customers time and inconvenience, the Linesville Borough Water Department is asking its customers to fill out the following questionnaire concerning your indoor plumbing. Once complete, please drop off at the Borough office, in the water drop box by the sewer office, or mail to PO Box 145, Linesville PA 16424. If you require assistance completed the questions, please contact the Borough office at 814-683-4382 to schedule an appointment. Thank you!
